

4th Grade Bulletin

February 29, 2008

Spring means new growth to the earth as well as to your child. Please check the hem of your child's skirt/pants/shirt to see if they are still within the appropriate length requirement for GACS dress code.

With three months to go, many of the students are in need of school supplies being replenished. Please send in a new set of pencils, erasers, and expo markers with your child. Tuition only covered their two pencils that were handed out at the beginning of the year.
