

4th Grade Bulletin

January 11, 2008

We hope you all enjoyed the Christmas holiday. We are off to a great start to the new semester.

- ❖ President's and Honors Certificates are included in this week's Friday Folders.
President's List – Straight A AVERAGE for the semester
Honor's List – A and B AVERAGES for the semester.
Marking Period 3 and Fall grades can now be viewed on-line in NET Classroom.
If you need your password, contact Terri Williams as the teachers do not have this information.
- ❖ Book Report - The book report this month should be done with a Newbery Medal or Honor book. These are chapter books so please encourage your children to get started reading their book as soon as possible. Your child has been told what is expected for this month's report and due date by his/her teacher.
- ❖ January 21st – Martin Luther King Holiday – No School
- ❖ High Touch High Tech Field Trip – Due to the high sales from our 4th grade students during the magazine sale, we were able to procure the services of High Touch High Tech. This is a national educational science “in house” field trip company. Our presentation and hands on activities will be centered on Black American Inventors and their inventions. The presentations will be on the 24th and 25th depending on the class.
- ❖ As we approach the 2nd half of the year, classroom expectations will be rising in terms of students' behavior, responsibility, and effort. Please encourage your child to do their best no matter what the task. Homework should now be a routine habit, class work should be able to be completed on time, neatly done, and full effort shown.
- ❖ Upcoming –
Feb. 15-19 Winter Break Classes resume on Wednesday the 20th
Feb. 22 – Bible Bowl
Feb. 25th A.R. Cutoff
Feb. 27th – 4th Grade Annual Pioneer Day - more info will be given later
