

Greater Atlanta Christian School

2007-2008 Junior High Volunteer Confidentiality

Dear Volunteer,

You are a blessing to us and to the children at Greater Atlanta Christian School. Thank you for all you do at school. As you know, school is a place that abounds with information. From student grades, to medical conditions, to disciplinary actions a great deal of information is available about our students. In the past, we have been fortunate to have compassionate and understanding volunteers who were able to keep information confidential. I would ask the same of you this year. The purpose of this form is just to remind all of us of the confidential nature of any student information. Again, I thank you so much for your work. We could not and would not be the same without you.

Dr. Misty Overman

As a volunteer, I understand the nature of keeping student information confidential.
