Dear Volunteer,

You are making such an incredible difference at GACS! Our volunteer program has exceeded everyone's expectations. You are personally making it easier for our teachers and administrators to concentrate on the job of teaching and running the school.

For your convenience, and to identify you as one of our special volunteers, you may purchase a personal magnetic name tag with your name printed below the word "Volunteer." This tag is available for purchase at the school's cost of \$8.50 each. (This is not required, but available if you'd like one.)

Please use the bottom portion of this letter and return it to the Junior High Office if you would like a personal name tag ordered for you. And again, thank you so much for your ongoing commitment to GACS!

May God Bless,
Deborah Hamm
Volunteer Coordinator
