

Word Bank: Noun, Pronoun, Verb, Adjective, Adverb, Conjunction, Preposition, and Interjection

1. _____ modifies verbs, adjectives, and adverbs
2. _____ serves as a connecting word
3. _____ names-person, place, thing, or idea
4. _____ shows action or state of being
5. _____ shows strong emotion
6. _____ modifies a noun or pronoun
7. _____ shows relationship to a noun or pronoun
8. _____ replaces nouns

Label the parts of speech. Identify the simple subject and simple predicate. Underline the complete subject one time and the complete predicate two times. This is a compound sentence, so there will be a simple subject and a simple predicate in each.

My mother sent me to town, but I did not buy anything.
