

Reading Log for Rising 6th Graders

Requirements for students who will be in the 6th grade during the 08/09 school year

During the summer each student should read 5 books. Three of his or her books must come from this recommended reading list. One Book Club Book should be chosen and signed up for on the online sign-up sheet. The Book Club Book counts as one of the recommended list requirements. Students should log each book read on the reading log. Please bring this signed log to class on the first day of school.

GRADING: Students will receive 50 points (10 for each book read). We will also be doing a project over one of the books, of their choice, during the first week of school.
