

## **GACS-Dwight Love Mathematics Tournament** **March 15, 2008**

Your school is invited to participate in the GACS-Dwight Love Mathematics Tournament. The tournament will be held at Greater Atlanta Christian School on Saturday, March 15, 2008. The campus is located on Indian Trail Road off I-85 in Norcross, Ga. As always, this tournament will be held in honor of Dr. Love who passed away in 2001, and the contributions he has made to mathematics education and competition.

Please use the following information to register:

### **Levels: PreAlgebra, Algebra I, Geometry, Algebra II, Comprehensive**

A school may enter one team of up to 25 students in each level. Students may not compete in any level in which they have completed that class. Each level will have a 25 question multiple-choice test with three tiebreakers within a 60-minute time limit. Each team will specify 4 members for the ciphering competition. Each chosen team member will cipher 5 questions. The team score will be the sum of the top four written test scores plus the ciphering score.

**Fees:** Fees are \$50 per team entered. Teams submitting registration forms with payment on or before February 10, 2008 will receive a reduction of \$5 per team entered. Teams who submit two 4-choice questions for each level entered will receive a \$10 per team discount if the registration form is submitted by at least February 26, 2008. The questions may be used for the 2009 exam. *We request that these be submitted on duplicates of the following page.* Please make checks payable to GACS. **The registration deadline is February 26, 2008.** No refund of fees is possible after the deadline. **Please provide an email address so that we can acknowledge receipt of your registration.** Late registration fee, if there is room available, is an additional \$10 per team, with no discounts available.

We hope you are able to come.
